## SUMMARY

As an expert with 6 years of experience as an Architectural Draftsman and 3D Visualizer, I've had the opportunity to work on a wide range of residential and commercial projects. My background includes creating detailed sketches, using 3D modeling tools, and working closely with clients and team members to bring ideas to life. I pay close attention to the details, ensuring accuracy and ability to create designs that meet client needs.

## TECHNICAL SKILLS

### ARCHITECTURAL DESIGN

Architectural Drawings, Space Planning & Designing, 2D Floor Plans, Concept Planning, Urban Planning, Hand Drafting & Sketching, Layout Plans.

### ENGINEERING DRAWINGS

MEP Drawings, HVAC Drawings, Submission Drawings, Landscaping, Detail Working Drawings.

### 3D DESIGN & VISUALIZATION

3D Floor Plans, 3D Modeling, Texture Mapping, 3D Visualization, Exterior & Interior Rendering.

### INTERIOR DESIGN

Furniture Layout, Lights & Color Scheme Selections, Interior Designing.

### PROJECT MANAGEMENT

Project Budgeting, Site Visits, Material Selections.

## WORKING EXPERIENCE

### ARCHITECTURAL DESIGNER & TEAM LEAD

Empire Engineering Associates | Jul 2021 - Aug 2023

- Leading the architectural designing team, setting direction, and ensuring alignment with project goals.
- Managing both 2D & 3D design teams, providing guidance, and ensuring quality work.
- Overseeing texture and rendering on various projects, maintaining a consistent visual standard.
- Presenting projects and designs to clients, making sure they align with expectations.
- Developing interior design strategies and concepts, contributing to the overall aesthetic and functionality of spaces.

### ARCHITECTURAL DESIGNER

The Architect Lounge, Pakistan | May 2019 - Jun 2021

- Worked on 2D and 3D drawings for various residential and commercial projects.
- Drew 2D floor plans, sections, and front elevations; put together MEP and HVAC drawings; and made plans and specs for construction projects.

## BUILDING INFORMATION MODELING (BIM)

Utilizing BIM for efficient design and collaboration.

## TOOLS

- AUTO-CAD
- ROOM SKETCHER
- AUTODESK 3DS MAX
- V-RAY
- COOHOM
- LUMION

## SOFT SKILLS

### CLIENT RELATIONS

Building and maintaining strong client relationships, effective client communication.

### PROJECT MANAGEMENT

Time Management, Project Budgeting, Coordinating with various stakeholders.

### PROBLEM SOLVING

Ability to address and resolve challenges in a timely and effective manner.

### MATERIAL & FINISHES

Knowledge of various materials and finishes, ensuring quality.

## LANGUAGES

ENGLISH

URDU

PUNJABI

- Went on site visits to prepare as-built drawings and used Autodesk 3ds Max and V-Ray to make realistic 3D models and top-quality renderings.
- Did hand drafting and concept sketching, and helped manage projects.
- Collaborated with town planner's team draft landscape plans. Managed a team, coordinating efforts to ensure project execution with a collaborative environment.

### DESIGN SPECIALIST & 3D VISUALIZER

Techno Arabia Signs, LLC, Dubai | Nov 2018 - Apr 2019

- Designed various sign boards and road signs for different clients, including businesses and local authorities.
- Used AutoCAD for 2D design, making sure everything was in line with local rules.
- Worked with 3ds Max and V-Ray to create 3D models and renderings.
- Teamed up with the people making the signs to make sure the designs were turned into physical signs accurately.

### ARCHITECTURAL DRAFTSMAN & 3D MODELER

Design-Corp International, Lahore, Pakistan | Dec 2016 - Oct 2018

- Tasked with creating 3D models and architectural drawings for commercial and residential buildings.
- Used AutoCAD & 3D Max for 3D modeling and rendering; prepared architectural working drawings, model drawings, and detailed work drawings.
- Managed commercial and residential building proposal presentations and submission drawings.
- Contributed to the successful design and approval of various architectural projects.

## QUALIFICATION

### CIVIL DRAFTSMAN CERTIFICATE

Punjab Trade Testing Board.  
Lahore 2016

### CIVIL SURVEYOR

Punjab Board of Technical Education.  
Lahore 2016

### LEVEL 2 IN COMPUTER AIDED DESIGN AND MANUFACTURING

The City & Guilds of London Institute - 2015

### MATRICULATION

Board of Intermediate & Secondary Education.  
Sargodha 2013
